Check the Book's Availability

The screenshot shows a library website interface. At the top, there is a navigation menu with links: Home, Subject Categories, E-Services, Open Access Resources, Contact Us, About Us, and FAQ. On the right, there is a user profile section with a globe icon and the text "Welcome Shaza Gazdar".

The main content area displays a modal window titled "Availability" with a close button (x) in the top left corner. Below the title, it says "1 Copies, 1 Available". A table with a teal header contains the following data:

Location	library	callnumber	Barcode	Volume	status	Active
Main Library	undefined	FR 909.04927 ROG	T0089558	-	Available	Hold now

Red circles highlight the "callnumber" cell and the "Hold now" button. A callout box points to the call number with the text "The Call number". Another callout box points to the "Hold now" button with the text "Click here". A larger callout box at the bottom right contains the text: "Once you've found the book you want to reserve, click on the (Hold now) button."
